Mexico [MX1], MX

The following announcement was published in Mexico's "*Diario Oficial*" (Federal Register) on May 23, 2002.

On June 20, 2002 at 11:30 AM, Mexico's Secretariat of Economy (SE), will conduct an auction for permits (*cupos*) to the Mexican private sector to import 800,000 Kgs. of milk powder duty-free. This auction is in keeping with Mexico's commitments under the WTO agreement and the NAFTA. SE's Directorate of Foreign Trade Services (DGSCE) will conduct the auction, which it lists as auction number 035/2002. The details of the auction are as follows:

HS#	Description	Total Quantity for Auction	Maximum Quantity per Importer
0402.10.01	Milk in powder or tablets, containing not over 1.5 percent by weight of butterfat.	800,000 Kgs.	80,000 Kgs.
0402.21.01	Milk in powder or tablets, containing over 1.5 percent by weight of butterfat		

The documents required to participate in this auction can be obtained by interested parties as of May 29, 2002, at the following address, as well as at SE state offices throughout Mexico.

"Ventanilla de Cupos TLC"  
Secretaria de Economia  
Insurgentes Sur 1940, Planta Baja  
Delegacion Alvaro Obregon  
01030, Mexico, D.F.

**FAS/Mexico Note:** This is NOT an invitation for bids to purchase dry milk products. Rather, it is an auction for the right to import the listed products duty free. Thus, the auction is limited to Mexican companies within the dairy products industry who use milk powder in their production process. That fact notwithstanding, it impacts U.S. dairy exporters in that those Mexican importers who are granted the *cupos* will be looking for product to fill the permit shortly after the auction, if not earlier.
